Jeffrey S Blevins : Confessions of a Mad Sports Addict before purchasing it in order to gage whether or not it would be worth my time, and all praised Confessions of a Mad Sports Addict:

From killer tailgating sites to broken bones to starstruck strippers and a trip to the New Orleans Police Department, Confessions of a Mad Sports Addict chronicles the debauched adventures of a group of guys on their annual sports

trips across the country. Come along for the ride and discover why it's the journey and not the destination that matters...unless you're in the back of an ambulance. Now you can relive their (mis)adventures as they road trip to amazing sports destinations across the country—from sizzling Texas to steamy Louisiana to seedy Memphis—all at a fraction of the cost! Sometimes sordid, often enlightening, always hilarious, these are the Confessions of a Mad Sports Addict. FROM THE BACK COVER: Do you want to know what well-behaved, up guys do during road trips to their favorite sporting events? Then read another book. This one is about what happens when the other guys are unshackled from their daily grind and unleashed on the world as they roar trip to great sports destinations across America. We're talking booze, strippers, broken bones, good food, bad girls, hot clubs, hot tubs, the thrill of victory, the agony of defeat, and much more. These are the confessions...of a mad sports addict.
