Gideon Bosker MD : Medicine Is the Best Laughter, Volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Medicine Is the Best Laughter, Volume 1:

3 of 3 people found the following review helpful. Many smilesBy A CustomerI have used this book as a frequent resource for patients who are undergoing cancer treatment. I use it with the staff when the need arises. The many different cartoons always bring a smile or two.

This cartoon collection is like an auditorium, packed with hundreds of comedians, cartoonists, and satirists, each letting you in on a private joke. Organized according to medical specialties, themes, and categories, these cartoons and anecdotes offer the chance to intersperse medical humor with scientific information.
