Jason Hamilton : Mermaid Fantasy: Adult Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Mermaid Fantasy: Adult Coloring Book:

6 of 6 people found the following review helpful. I'm a mermaid, so... I kinda love this book. By Zoe Bug Another great installment of amazingly detailed artwork by Jason Hamilton. The pics in this book are whimsical and fun, some are family-oriented even. Some look like they could be advertisements for vacation destinations! Great book with mid-to-high level complexity. If you love mermaids, you will love this book. 8 of 9 people found the following review helpful. 24 Hand-Drawn Mermaid Designs with bonus 4 x 6 versions as well – printed on one side of the page By iiiireader[[VIDEOID:c493fc7124a87852bf19de53e19c41ad]] I really enjoy coloring Jason Hamilton's designs. From his first coloring book (“Cats and Quilts”) to this, “Mermaid Fantasy”, I've found his artwork to be beautiful and fun to color. I came across Mr. Hamilton's mermaid designs in his recent contribution to “Adult Coloring Book Treasury 2” and was in high hopes that he would soon release a mermaid book. Just a week or so later, here it is. Along with a

video and other sample photos from this book, I will include the mermaid that I colored for Treasury 2. In this book, the focus of the designs is on mermaids. There is a merman and even a human but, for the most part, there are mermaids. There are even a few mermaids with their children. The designs have a nice level of detail. There is plenty of room for shading or adding your own details, if you wish. The elements on the full size pages are a good size and are not difficult to color with any type of coloring medium that I use. The smaller (4 x 6 inch) versions may require ultra-fine nibs or sharp pencil tips but that is to be expected with a design that has been sized down. This is what I experienced when I was coloring in this book and testing the paper with my coloring medium. In the comments section below, I will list the coloring medium I used for testing this book and which I usually use for coloring my projects.

24 Large Mermaid designs with 24 4 x 6 inch duplicate copies
Printed one side of the page
Paper is thin, white, slightly rough and non-perforated
Glue Binding
Designs do not merge into the binding area. They have a framing line around the outer edge
Coloring book opens to flat position fairly easily
Alcohol-based markers bleed through this paper
Water-based markers spot through this paper
Gel pens and India ink pens leave colorful shadows on the back of the page. India ink can bleed through if it is applied heavily or in multiple layers.
Colored Pencils work well with this slightly rough paper. Both oil and wax pencils provide good pigment with multiple layers, layer multiple colors well and blend well using a pencil style blending stick. Hard lead pencils can dent through to the back of the page. I use a blotter of card stock under my working page. Several sheets of heavier weight paper work well, too. This keeps seeping ink and dents from messing up the pages below.

5 of 5 people found the following review helpful. Beautiful book for any fan of mermaids!
By Customer
Another fantastic book from one of my favorite coloring book authors! Beautifully detailed pictures on one sided bright white paper. The attached work in progress picture was colored with prisma color premieres and blended with odorless mineral spirits, which work wonderfully on this paper. And again, the artwork is just stunning.

Mermaid Fantasy is a mermaid coloring book that features 24 full page illustrations of enchanting Mermaids by the artist who brought you Fairy Fantasy and Cats Quilts. Pick up your pencils or crayons and explore a warm tropical world of sea and sand and the friendly mer creatures who call it home. There is no clip art or stock photos used in Mermaid Fantasy or any of my adult coloring books. Each and every picture is the product of my imagination, drawn with my own hand. 24 unique hand drawn illustrations
Printed single sided on 60 lb pure white paper, perfect for colored pencils and pastels
Generous margins for easy removal if you prefer to color with wet media
Bonus illustrations in 4x6" size, perfect for framing

"Love it! The pictures in this book are beautiful! The book is well made and the paper is medium weight. Pictures are on one side, so that's always good. I know I'm going to love coloring this." --M.Oliver
"Another fantastic book from one of my favorite coloring book authors! Beautifully detailed pictures on one sided bright white paper." --Customer
"Just like all Jason Hamilton's coloring books this is just as beautiful as his others. I have them all. This one brings fantasy to it's best. Every page is unique. Another thing I like is some pages are easier to color then others. None of them or so difficult that it takes days to complete. You will not be disappointed!" --Val
From the Back Cover
Enter the enchanting world of Mermaid Fantasy, a coloring book with 24 full page original hand drawn illustrations of mermaids by Jason Hamilton. Perfect for all ages.
