Jayna M. Shipman : Mermaid Pictures: Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Mermaid Pictures: Coloring Book:

0 of 0 people found the following review helpful. The recipient loved it! I also looked through the coloring book ...By Mr. WheelerI ordered this as a Christmas gift. The recipient loved it! I also looked through the coloring book before gifting it. The pictures are elaborate yet easy to follow, making it very easy to make a very detail picture without allot of effort. I also noticed that color pencils can make these pictures very elaborate, making these coloring books very good tools for helping children improve their artistic skills as these coloring books can be used at variable skill levels.

A coloring book of mermaids for kids of all ages. This coloring booklet (each printed on one sheet for framing or zerox), features vector drawings of original mermaid art, created by Graphic Designer and Illustrator, Jayna Shipman

(Art By Jayna). Great for gifts or hobbies :)
