Micky Morag : Mildred, Joyce Gladys The story of my lice... (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mildred, Joyce Gladys The story of my lice... (Volume 1):

"Hello, my name is Suzie and what I have in my head is not dresses or dolls, I have three lice sitting on top of me – they even have names – you see..." This book has additional layer of humor that lights up the sleepy parents, who are usually yawning after three pages tops... This story is all about attitude.
