**Inge Sieger : Mirror Mirror on the Wall: Wicked Curves..... Love Them All** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mirror Mirror on the Wall: Wicked Curves..... Love Them All:

The Diva's handbook is a wickedly humorous view on the obsession of food and dieting. Anyone who has attempted to

shed a few pounds off their curvaceous body can relate to the pleasures of sumptuous dining. Real Divas love their curves and so should you. The amusing quotes and anecdotes spoof the many unsuccessful rituals of food and dieting. A selection of decadent hand-picked dessert recipes befitting the discriminating Divas is sprinkled delightfully throughout the book. After all, Real Divas enjoy the Best of the Best. Chocolate and wicked humor. How good is that!
