**Michael Glouberman : Mommy and Daddy want to F%#** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mommy and Daddy want to F%#:

Mommy and Daddy want to F%# is a children's book for grown-ups! A hilarious story of a Mommy and Daddy who just need a little "alone time" to themselves, and will do almost anything to get it. If you're the parents of little kids - or

know anybody who is - this book is for you!
