El Blanchette : Motherhood Funnies before purchasing it in order to gage whether or not it would be worth my time, and all praised Motherhood Funnies:

1 of 1 people found the following review helpful. Vee is exceptional!By Kindle CustomerI can thoroughly relate to this Mom as I have raised a similarly precocious daughter, Gut-wrenching laughs picturing the Mom when faced with unanswerable questions. This child has an amazing future!1 of 1 people found the following review helpful. Really

funny!!!By A CustomerYou don't just have to be a mom to enjoy this book. I especially liked the list of things she found in her purse.0 of 0 people found the following review helpful. So fun! Any mom will love sitting down with this ...By CustomerSo fun! Any mom will love sitting down with this book and perhaps a drink or something chocolatey... after a day with the kiddos!

'Motherhood Funnies' delves into the comedic aspect of parenting. It is an exploration of the thoughts a mom has while she tries to make sense of her six year old daughter. Enjoy quotes, conversations, lists and more as you get to know this crazy duo.
