Dan R. Crawford : Mud Hen in a Peacock Parade: A Funny Thing Happened on the Way to Heaven before purchasing it in order to gage whether or not it would be worth my time, and all praised Mud Hen in a Peacock Parade: A Funny Thing Happened on the Way to Heaven:

1 of 1 people found the following review helpful. Very inspirational By Rita W. Really very funny. If you're having a

bad day, bad week or bad life. This book will bring a smile to your face. 1 of 1 people found the following review helpful. Delightfully funny, hard to put down By Barry D. Bishop I purchased and read Crawford's "Mud Hen" book in one day. The book is organized into short, funny anecdotes that follow the author's life chronologically. I kept thinking to myself, "Ok, just one more and then I will put the book down," but about halfway through the book I knew I had to finish it because it was so enjoyable. My wife enjoyed it too as I read aloud to her some of my favorite parts. We both laughed till we cried. Much of the author's humor is based on his experience in Christian ministry as a pastor, seminary professor, and evangelist. For this reason, the humor of this book will be lost on some. However, for many Christians, this book will provide a much-needed laugh about funny things that happen in the austerity of church life.

Go ahead and laugh. Jesus did. That's what you will do while reading Dan Crawford's *Mud Hen in a Peacock Parade*. He tells about church events, church people, and church leaders in a way that helps you see the humor instead of all the seriousness. Dr. Crawford believes Jesus enjoyed life. He imagines Jesus laughing with His disciples—or even at them. The author wants you to laugh, too. And you will laugh as you turn every page of this sparkling, hilarious book. Here are three endorsements for this book: "The Swan" joins "The Mud Hen" in the Comedy of Life's Parade!! And you need to jump into the line-up with us! So here's what you do: Grab a cup of dark-roast coffee—doctor it up a tad—and find your favorite chair and consume some GREAT comedic commentaries on life provided by Dr. Mud Hen himself—Dr. Reverend "not so holy" Professor Dan Crawford. Dan gives us "laughter" with plenty of "life" on it! Matter of fact, it might be just the Medicine you need for what ails ya! So put the channel changer up . . . you won't need it—MUD HEN IN A PEACOCK PARADE will replace the "one eyed monster"! Dr. Dennis "The Swan" Swanberg America's Minister of Encouragement Laughter is good medicine (Prov. 17:22). Dan Crawford provides us with some of the best of that kind of medicine with true humorous stories from his position with a wonderful seminary in which academic excellence and, yes, a rollicking sense of humor are required. Al Fasol retired professor of preaching Southwestern Baptist Theological Seminary Author, *Humor with a Halo* My first idea as I think of these funny events is: "Truth is stranger than fiction." Those who know Dan Crawford know that he's not actively looking for funny stories. They just happen, and he's there to report them. It's been my privilege to be with him when some of the funny stories "happened." Readers will enjoy this book because most will recall having been there, done that.
