No matter which side of the aisle you stand on you will find humor in this book. I bought two copies, one for my mom and one for my sister. At our Christmas Eve gift exchange they entertained us with their reading of captions. The drawings are fairly intricate but with good lighting and a sharp pencil I was able to complete a page within an hour. The pages look great when the background designs are colored in pencil and anything you want brought to the foreground is filled in with ink, especially the snarky comments. 1 of 1 people found the following review helpful. Good white elephant gift By Stacy Dew I don't know if anyone would really color the pictures. It's more about annoying someone or the laugh as they open the package. Mission accomplished.

Did you know? Hillary Clinton is an “unbelievably nasty, mean enabler.” Jeb Bush “wants to look cool, but it's far too late.” Senator Rand Paul is a “spoiled brat without a properly functioning brain.” Talk show host Glenn Beck is a “mental basketcase.” At a loss for words? You won't be, after trying out Trump's one-of-a-kind insults, attacks, and put-downs. Be popular at parties and online! Attract attention to yourself like you never have before! Let your friends—and enemies—know where you stand! Go ahead and color in the insults—and maybe you'll be president someday! The Trump Book of Insults: An Adult Coloring Book features 30 single-sided insults for you to color, from M.G. Anthony, author of the bestselling The Trump Coloring Book. “Let's Make Coloring Great Again!”
