From Triumph Books : The Wacky and Wonderful World of Golf before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wacky and Wonderful World of Golf:

The Wacky and Wonderful World of Golf includes quotes and anecdotes from Mark Twain, Arnold Palmer, Dean Martin, Chi Chi Rodriguz, Winston Churchill, Mickey Mantle, Bob Hope, Ben Hogan, John F. Kennedy, and many others. It also features amusing stories from the professional tour and all of the majors - from the lucky bounces to the infamous gaffes - and strange tales of professional golfers, long balls, aces, toublesome holes, early golf rules and practices, and hazards from sand to water to animals.
