Charles Dickens : The Wicked Wit of Charles Dickens before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wicked Wit of Charles Dickens:

2 of 2 people found the following review helpful. Not so wicked, but an incredible array of characters.By HarryA good reintroduction to Dickens in this year, the bi-centenary of his birth - although the title is a misnomer - there is much more to Dickens and this book than 'wicked wit'. Provides a brief background on his fascinating and controversial life

as well as many extracts from his books and correspondence. A quick read that whets the appetite to revisit this great author and social reformer. Dickens was the master of producing great character driven tales - and so many of those characters are now embedded in our culture - Scrooge, Fagan, Twist - this little book brings to the fore many of those strange and wonderful character's memorable moments. A refreshing insight into many of Dickens' lesser known characters as well. 0 of 0 people found the following review helpful. Dickens is a master of witty dialogue and observation. By K. Spangler If you enjoy Dickens' humor, you will love this book. It's full of quotes from his works that will keep you chuckling the whole way through it. He makes the funniest observations about the foibles of mankind.

Inside *The Wicked Wit of Charles Dickens*, readers take a journey into the classically humorous and almost goofy side of one of the most famous writers in world history. readers will find a timeline of Charles Dickens's Life, several short stories, a whole chapter of Dickens's bumbblings, and quotes from some of Dickens's most famous papers. Dickens was a wonderfully smart child who excelled in school but became a victim of poverty. In his later years, this childhood of poverty would influence him greatly and a great deal of his material was based on this life. When his father was sent to prison, Dickens's mother and siblings accompanied his father and went to live inside the prison in one small room while Charles was sent into lodgings beside the prison and worked at a blacking factory. *The Wicked Wit of Charles Dickens* takes Dickens's lovers through a history of some of his lesser-known stories and introduces the reader to a side of Dickens that may not have been seen before, the wickedly entertaining and funny side. The beautifully bound hardcover will look incredible resting on anyone's coffee table or bookshelf and can be considered a collectible book. Researched and compiled by Shelley Klein, this book is a must-have for any Classic Literature fan who is a current or former fan of Dickens.

Part of 'The World According to..' series. An informative biography, which features extracts and quotes from his works. Provides a fascinating insight into this unique individual. An entertaining and informative biography, which features extracts and quotes from his works, and draws comparisons between the life and work of one of the world's best known writers. About the Author A prolific writer in Victorian England, Charles Dickens wrote most of his works in serial format, publishing chapters on a weekly or monthly basis. His writing improved because of he was able to hear the criticism from the previous installments and mold his writing to be appealing to the public. Poor from birth, Dickens used his elevated status to encourage empathy and philanthropy.
