Stephenie ShahThe book arrived in horrible condition. It looks like it sat in the rain and someone spilled coffee on it. Bummer because it was a gift picked out by my daughter for her grandfather.0 of 0 people found the following review helpful. Everybody loves Knock Knock JokesBy pammeel heard most of these knock knock jokes when I was a child. Still funny. I have several great grandchildren and I know that the boys (ages 8 and 10) Will be asking 'knock knock' to anyone who will stand still long enough to answer. These jokes seem to be some kind of 'rite of passage' for little boys in this age range. They will be getting this book for Christmas. Thanks0 of 0 people found the following review helpful.
