I sent this to him because, 1) he's a country boy, 2) he has a delightful sense of humor, and 3) I figured he would enjoy the deep laughter from each page!! (Seriously).Well, his Marine mates couldn't help but notice his laughter, and soon he was sharing the book with the other guys. He later told me, "Nanna, that book had

the whole ship in fits of laughter." This was the 2nd best gift that I sent to him. What was 1st? Water guns. ;) 1 of 1 people found the following review helpful. HILARIOUS By Kevin F. Gieb author of A DRIVING FOOL Patrick McManus is a writer with a very unique voice and style. Clever and comical, he takes shots at the great outdoors, skewering hunting, camping, fishing. As a narrator he speaks in grand fashion with splendor, but in flashbacks we see that he is an impossible klutz. As an author, he was clearly influenced by Mark Twain and Jean Shepherd (A CHRISTMAS STORY). This is truly excellent. 0 of 0 people found the following review helpful. Good Medicine By I 5 Corridor Each book by McManus is great. You can get some good belly laughs reading his books. It will make you feel so much better. They are good medicine.

McManus celebrates the hidden pleasures, unappreciated lore, and opportunities for disaster to be found in such outdoor recreations as camping, hunting, and fishing
