1 of 1 people found the following review helpful. I loved this book By Nancy I loved this book, wish it lasted longer. Eliza has a wonderful sense of humor and I could relate to all of her 'old house' adventures. 1 of 1 people found the following review helpful. A delightful read!! By Kindle Customer Charming read about one couple's experiences renovating "fixer uppers" ....filled with humorous stories!! Short but sweet!! 1 of 1 people found the following review

helpful. Anyone who has loved an old house and nursed it along will find ...By AnnenJebA charming series of essays/survivors tales from someone addicted to the country life--even at its hardest. Anyone who has loved an old house and nursed it along will find truth here.

"The decision to buy an old house should never be made in haste." So begins the misadventures of the Rusk. They were young - optimistic, taking on one old house and farm after another. With wit and candor Eliza Rusk captures the feel of the "back-to-the-land" movement of the 70's. This is a book for anyone who loves old houses, country living and who thinks "I can do it myself."
